

GKHAT is a non profit organization dedicated to promoting alpine skiing in Golden, BC. As a nonprofit organization in a resource-demanding sport, our club relies on fundraising in order to keep program fees affordable for members.

As our club grows its membership and programs, we face increasing demand for high quality racing programs to develop athletes who are passionate about ski racing and want to reach their full potential in the sport.

We are currently seeking corporate partners to permit us to access equipment, coaching hours and programming necessary to take our most dedicated performance athletes to the next level.

Although we cannot provide tax receipts for donations or sponsorship contributions, your contribution of an item for the online auction or an in-kind donation would be recognized on our website, social media, and at racing events. Please speak with us (contact fundraiser@gkhat.ca) about how we can make your business visible to our membership.

Thank you for your support of young athletes in Golden as we rely on our community partners to continue fuelling healthy starts in skiing.

Sincerely

GKHAT Board of Directors
